Please write your answers to the following three questions on a separate sheet of paper and attach to this form.

1. What are your goals after you complete your GED?
2. What obstacles or barriers have you had to overcome in order to prepare for the GED tests?
3. How will this scholarship help you?

We have limited funds and want to serve as many students as possible. Assistance of $38 to pay for the first test and $38 to pay for the last test may be available.
*You may not receive the amount you request, however every effort will be made to accommodate your request.

   To qualify for assistance with the first test, you must provide proof of passing a GED Ready test.
Take this form to an ABSE instructor or staff member then log on to your GED.com account allowing them to see which test was taken and that the score shows you are "likely to pass" the official test in that subject.

   To qualify for assistance with the last test, use the same procedure to provide proof of passing 3 GED tests and of passing a GED Ready test in the final subject.
Student: Please turn form into your instructor or either of the ABSE offices.
