

**DATE:** March 9, 2011

**TO:** Lane Community College Board of Education

**FROM:** Sonya Christian  
Vice President for Academic and Student Affairs

**RE:** Highlights that are featured as part of the Board Report

---

### **Health Professions:**

Respiratory Care just had an outstanding programmatic accreditation site visit by CoARC. Norma Driscoll, Program Coordinator, put together an amazing self study and led her team with great help by faculty to an outstanding visit. The Respiratory Care Program was given 5 commendations and was found to have no deficiencies in the accreditation report. Based on the excellent visit, no further action will be taken for another 10 years!

### **Successful Aging Institute:**

In anticipation of the Downtown Campus moving across the street from the Eugene Public Library, Lane's Successful Aging Institute and the library are collaborating to present an ongoing series of free classes for adults of all ages at EPL. SAI will produce the classes, EPL will pay the instructors, and both will publicize them. Five classes have been scheduled thus far, starting in May. Most classes will precede and serve as teasers for longer versions in the same topic areas at Lane.
