International Programs Board Report

Titan World Takeover

International Programs: Who are we?

- We are a comprehensive international program supporting the college's internationalization goals through international student services, affordable study abroad and global learning opportunities.
- We provide international students services from recruitment to graduation including enrollment services, academic advising services, and SEVIS compliance.

Serving Students

- 320 international students from 30 countries
- Progression and completion focused academic advising with emphasis on explaining the US system
- Orientation to life in the USA, move in assistance to Titan Court and cultural adjustment activities
- SEVIS and immigration rules compliance support
- International Student Club

Growth and Planning

- International Programs has adapted new technologies to streamline processes for students and staff and to better support data and reporting. The data has become the foundation of how we measure our work.
- The International Student population has grown 64% in unduplicated headcount from Fall of 2010 to Spring of 2013.
- The current growth rate places Lane on track to meet the goal of 1000 students (unduplicated headcount) by 2020.

Recruiting Future Titans

- Recruitment strategy spanning multiple markets and methods for optimal diversity and sustainability.
- Active recruitment partnerships in China, Colombia, Hong Kong, Indonesia, Japan, Korea, Macau, Saudi Arabia, Thailand, Vietnam, United Arab Emirates, and Yemen.
- Over the next 3-5 years we will maintain an average growth rate of 15% and continue to diversify our population.
