

Joint Work Session Eugene City Council & Lane Community College

September 24, 2012

Wetlands Reclamation Initiative

Faculty exploring the concept of developing an Interpretive Center of the wetlands portion of the college's 30th Avenue property

Expansion of Eugene's Urban Growth Boundary

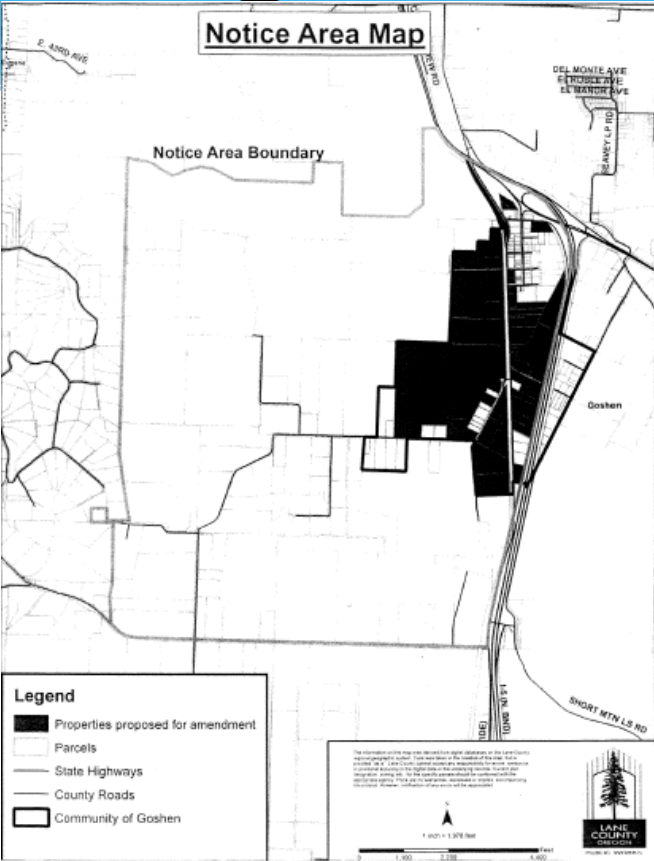

Russel Creek Basin / LCC Study Area

City planners investigating the potential of expanding the Urban Growth Boundary to including the LCC basin to address Eugene's need for more land for residential growth.

Rezoning in Goshen

The map, titled "Notice Area Map", shows a portion of Goshen, Indiana. A thick black line delineates the "Notice Area Boundary". To the north of this boundary is "E. 40th Ave". To the east, the boundary follows a road that runs parallel to "Del Monte Ave" and "Elmwood Ave". The map also shows "S. 1st St" and "S. 2nd St" running vertically on the right side. The area within the boundary is shaded in light gray, while the area outside is white.

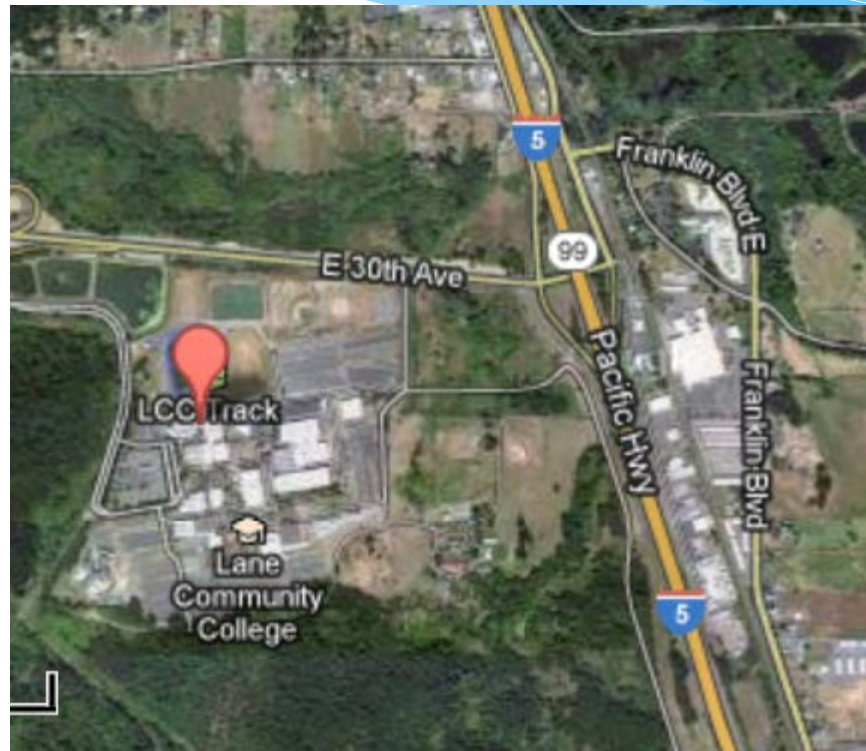

Lane County has requested to rezone 316.54 acres of property in Goshen from Rural Industrial zone to Commercial & Light Industrial zone.

Proposed new EMX route

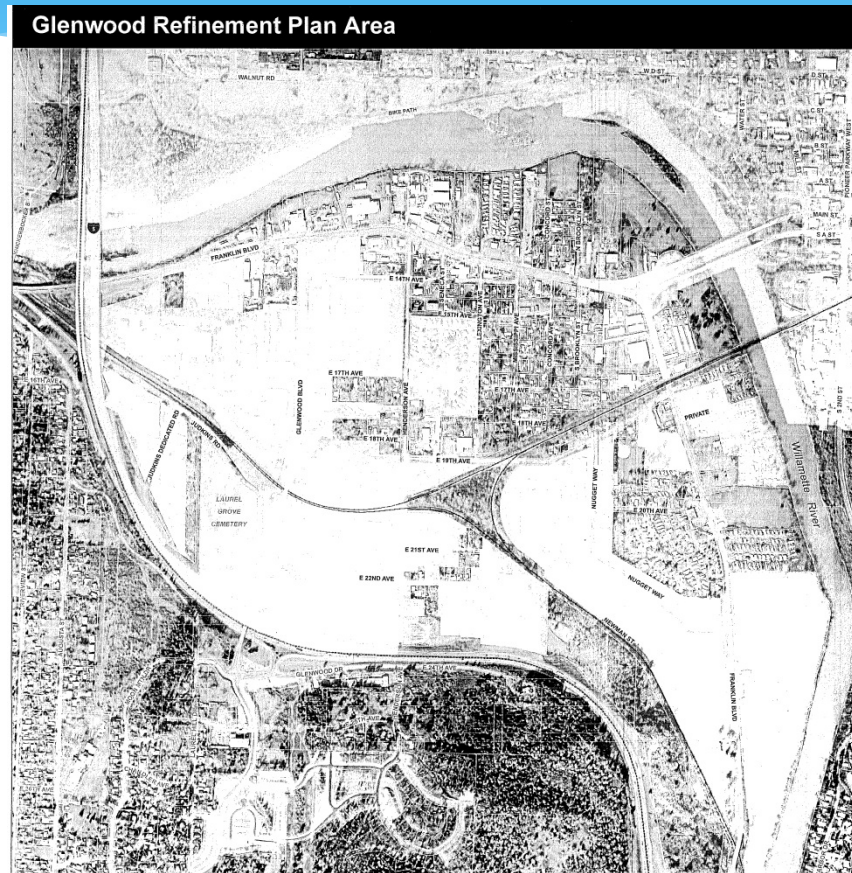

The federal department of Transportation has given LTD a grant to explore the potential benefits of establishing a new EMX route.

A new I-5/30th Ave. interchange

ODOT would consider replacing the interchange if sufficient need can be identified.

Glenwood Refinement Plan

LCC would benefit from a refined Glenwood area that included higher end residential units, hotels, conference centers, and professional offices.

Oakhill School

Oakhill School, has applied to Lane County for a building permit to construct two new educational buildings on its property.
