

Culinary Team Building

Iron Chef-Style

- Mission:** Sharpen your communication and collaborative skills through creative development of a three course Menu which incorporates the ingredients presented in each team's **SEASONAL MYSTERY BASKET**.
- Teams:** Two teams are created. Your partner/guest cannot be on your team.
- Planning:** Participants will have thirty minutes to:
- Choose a team leader.
 - Select team roles.
 - Design a three course menu. Teams may request an additional ingredient not found in the Mystery Basket, but it then becomes available to BOTH teams.
- Cook-off:** The practical cook-off will take place in the CENTER Demonstration Kitchen classroom over a sixty minute period. Resources available to each team:
- Advice from our Chefs and/or Student Ambassadors
 - Any herbs or spices in the classroom
 - Any cooking appliances or apparatus needed
- Each team is provided with food for 12 people. Each team presents one presentation plate for each course to the judging Chefs. The remaining food will be served buffet-style to all competitors.
- NO LATE ENTRIES WILL BE ACCEPTED**
- Judging:** Points will be awarded based on taste (30), presentation (20), teamwork (35) and technique (15). Remember, the most points are awarded in the **TEAMWORK** category.
