### Gainful Employment Disclosure

Standard Occupational Classification: 25-2011.00

Go to the Department of Labor's O\*Net website for a profile of this occupation:

Preschool Teachers, Except Special Education

[Onetonline.org/link/summary/25-2011.00](http://Onetonline.org/link/summary/25-2011.00)

In academic year 2014-15, 10 students completed this certificate.

The program is designed to take 4 terms, or about 15 months of study to complete.

Of students who completed this certificate in the 2014-15 academic year, 20% completed on time.

**Note** The federally required method for calculating this rate assumes students will declare their completion program major immediately, enroll full-time each term, and remain enrolled at Lane continuously until they complete their program. In reality, many community college students attend part-time, explore several majors, stop out for a term or more, change majors, and brush-up on their academic skills to be better prepared for college level

courses, all of which affect this narrowly defined on-time graduation rate.

The median loan debt incurred by students who completed the program in 2014-15 = \$10,500.
