Nursing

Associate of Applied Science Degree
One-Year Certificate of Completion, Practical Nursing
Practical Nursing Bridge, Eligibility for Entry into the
Second Year Nursing Associate of Applied Science Degree

Program Coordinator Patricia Tully, RN, MS, tullyt@lanecc.edu

Purpose To prepare the graduate to practice as an associate degree registered nurse, to be eligible to take the National Council Licensure Examination (NCLEX)-RN. Acceptance to the program allows for co-admission to Lane Community College and Oregon Health Sciences University nursing programs.

Learning Outcomes Nursing care competencies recognize that a competent nurse provides safe care across the lifespan directed toward the goals of helping clients (individuals, families or communities) promote health, recover from acute illness and/or manage a chronic illness and support a peaceful and comfortable death. As a member of the Oregon Consortium for Nursing Education the Lane Nursing curriculum supports the following nursing competencies based on personal and professional actions on a set of shared core nursing values.

- collaborates as part of a health care team.
- communicates effectively
- utilizes and contributes to the broader health care system
- demonstrates leadership in nursing and healthcare.
- develops insight through reflection, self-analysis and self-care.
- engages in self-directed learning.
- practices relationship-centered care.
- makes sound clinical judgments.
- uses the best available evidence.

Accreditation Nursing, Oregon State Board of Nursing (OSBN) 27938 SW Upper Boones Ferry Rd, Portland, OR, 971.673.0685, oregon.gov/OSBN. Lane is a member of the Oregon Consortium for Nursing Education (OCNE) and offers a competency-based curriculum jointly developed by nursing faculties from nine community colleges and OHSU consortium partners.

Or check on these O*Net Related Occupations:

Psychiatric Aides onetonline.org/link/summary/31-1013.00

In academic year 2014-15, 13 students completed this certificate.

The program is designed to take 4 terms, or about 15 months of study to complete.

Of students who completed this certificate in the 2014-15 academic year, 15% completed on time.

Note: The federally required method for calculating this rate assumes students will declare their completion program major immediately, enroll full-time each term, and remain enrolled at Lane continuously until they complete their program. In reality, many community college students attend part-time, explore several majors, stop out for a term or more, change majors, and brush-up on their academic skills to be better prepared for college level courses, all of which affect this narrowly defined on-time graduation rate.

Course Requirements

1. Prerequisites are required for some courses. See course descriptions.
