

Associate of Science Oregon Transfer to Associate of General Studies

Student is feeling very burned out, does not want to go to a four year college after all, does want some type of Associate degree to show for all her work so far, wants to be done with school, and may be interested in certificate toward the workplace.

Student completed:

CG 140/220 with Women in Transitions,

Math 65 – has attempted Math 95 twice and earned D grades both times and is on financial aid,

SPAN 101/102 – first one C- grade second one D grade,

BA 101,

CS 120,

ART 209 with a D grade,

WR 121 and WR 122,

BIO 101,

G 102,

5 credits in PE,

PSY 201 with a D grade, and

BT 165.

She has multiple courses she has not completed.
