Nancy and Melanie,

Please see instructors comment highlighted below regarding a small change to my original request. This title (with the 's left off) is the one we are seeking approval for and then inclusion in the 2013-14 catalog. Thanks.

Jean

I think it should be **Infant and Toddler Development**. Bev

Nancy and Melanie

I am requesting that Nancy approve the following name change, listed below, for the 2013-14 catalog and that this serves as the documentation you need, Melanie, to go ahead with the change.

Thanks.

Change ECE 170, Infants and Toddlers to ECE 170, Infants and Toddlers Development.

Thanks.

Jean
