Hi Mary and Melanie

Here are electronic copies of the GIS 249 AAOT for Science and Social Science.

Also I have the name change for GIS / GEOG 180 - to match the UO proposed new class GEOG 151 and the AAOT science and Social Science for this class as well.

I am working on the program AAOT with Cindy on Wednesday morning. I will send along the Program template soon.

Thanks for your help.

Lynn
