

Audio Recording Course Material Student-Faculty Agreement

Center for Accessible Resources (CAR)

Students will not release this course lecture recording.

Students will not otherwise hinder the instructor's ability to obtain a copyright of this lecture content.

If this course involves other students' personal sharing that would be inappropriate to record, students should be prepared to pause the recorder occasionally upon request.

Students must destroy the recording at the end of the term.

I have read and understand the agreement for student audio recording of course material through the Center for Accessible Resources (CAR) at Lane Community College.
