

Equipment and Locker Checkout Student Agreement

Center for Accessible Resources (CAR)

All students checking out equipment and/or lockers are responsible for understanding the following:

Equipment:

- Equipment is the property of CAR and is intended for temporary educational use only.
- Equipment must be maintained in good working condition and checked-in by CAR front desk staff by the last day of each term.
- Borrower will supply batteries as needed in battery operated equipment.
- Replacement fees will be billed if equipment/locker key is not returned in good condition by the last day of the term. Administration fees may also apply. Unpaid bills may cause classes to be dropped without notice and holds to be placed on myLane.
- Lane Community College does not assume any liability for lost or stolen equipment on college property.

Lockers:

- Lockers must be emptied and the key returned to the CAR front desk by the last day of each term.
- Campus Public Safety will remove any contents remaining in lockers after the end of the term.

I have read and understand the agreement for student use of equipment and lockers checked out through the Center for Accessible Resources (CAR) at Lane Community College.
