

Welcome to the Lane Community College Health Clinic!

Thank you for including Lane Community College Health Clinic as part of your healthcare team. We provide accessible, high-quality medical treatment in a timely, caring, and compassionate manner to the students and staff of Lane Community College.

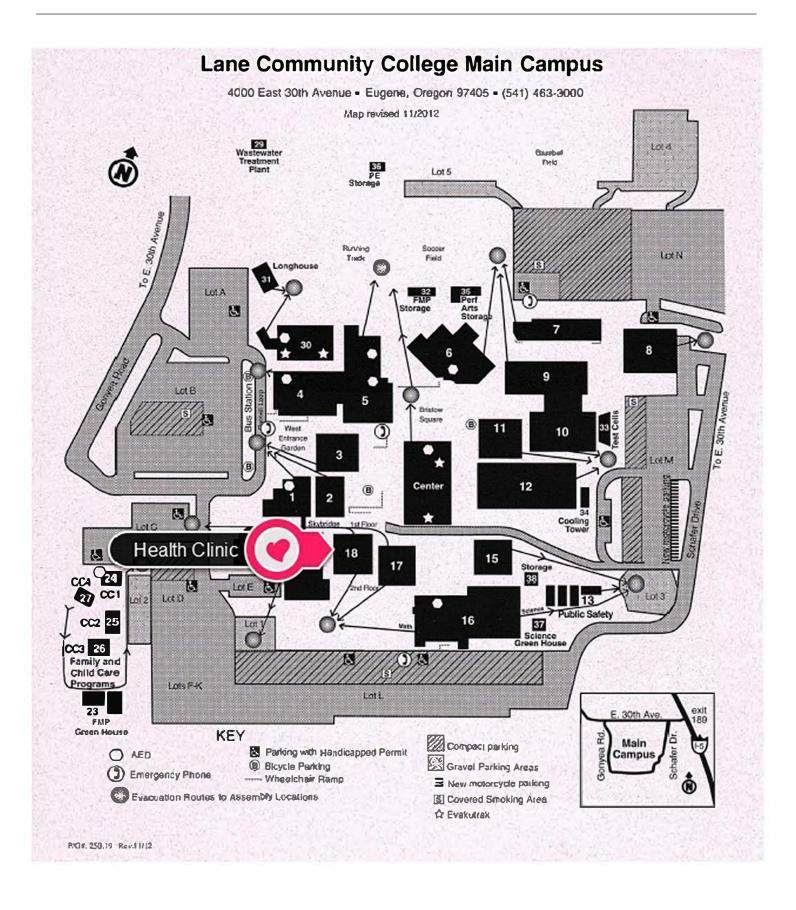

We look forward to working with you to improve your health and meet your healthcare needs. Prior to your first appointment, please complete the attached new patient paperwork. Please bring the completed paperwork to your first appointment, along with a current insurance card and photo ID. On the day of your first appointment, please arrive twenty (20) minutes prior to your scheduled appointment time for check in.

If you have any questions, please contact our office staff at (541) 463-5665.

Thank you,

The Lane Community College Health Clinic Staff

PATIENT RIGHTS AND RESPONSIBILITIES

Patient Rights

- 1. You have the right to considerate, respectful care.
- 2. You have the right to have us explain diseases, treatment, and results in an easy-to-understand way.
- 3. You have the right to expect that all communications and records about your health care will be treated as confidential, respectful of legal requirements.
- 4. You have the right to refuse treatment, as permitted by law, and to be informed of the medical consequences of that action.
- 5. You have the right to voice any concern or complaints that arise, without fear, regarding your health care with your provider or a staff member.
- 6. You have the right to receive nondiscriminatory care regardless of race, creed, color, religion, gender, gender orientation, national origin, disability, or age.
- 7. You have the right to involve yourself or your family in any aspect of your care.

Patient Responsibilities

- 1. Give your provider, clinic staff, and fellow patients respect and consideration. This includes no shouting, threats, cursing, or violence of any kind.
- 2. Provide complete, accurate, honest information about your health so that the staff can give you the best health care possible.
- 3. Keep your scheduled appointments or reschedule those appointments in advance.
- 4. Follow through with your care plan, including follow-up appointments, labs, and completing medications. Be sure you leave every visit with a clear understanding of expectations, treatment goals and future plans.
- 5. Let us know if you are unable to take your medicine or follow through with your care plan.
- 6. Discuss your concerns with the provider or a staff member should problems arise.
- 7. Treat the staff and clients / patients in the Clinic without discrimination regardless of race, creed, color, religion, gender, gender orientation, national origin or age.
- 8. Be active in your health care decisions. This includes involving your family and/or other trusted adults in any aspect of care that you feel would benefit your care.
- 9. Understand that your lifestyle choices effect your personal health.
- 10. Give us feedback so we can improve our services.
