

Location: 19/243
Friday, 9/25, 1-2:30

Please join the Assessment Team (A-Team) to talk about past, on-going, and future projects.

If you are interested in submitting an [RFP for 2015-2016](#), Friday is the perfect time to stop by the A-Team's open house and ask questions of team members and faculty who have successfully submitted proposals and completed assessment projects.

If you are new to assessment work on campus, feel free to visit <https://www.lanecc.edu/assessment> and peruse the "current projects and events" and "supplemental and contextualizing materials" pages to get an idea of the scope of past projects.

We welcome interested parties at any stage of thinking about and engaging with the college's work on assessment.
