| 10:00-11:00 a.m. Presenters: Wendy Jett, Tiana Marrone-Creech, Jeri Steele. | "Pardon Me, Do You Have a Foundation Fund?" | Come meet with Foundation staff and learn more about how to best pursue and use private funding for your department's programs and needs. The first half of the program will explore how the Foundation works, fundraising ethics, the basics of solicitations (what is an in-kind gift, anyway?). Once you've gotten private funding, you need to spend it strategically! In the second half of the program, we will look at account access, check requests, common pitfalls, and where you can go for help. | Building 19, Room 260 |
