

LCC Foundation Annual Employee Giving Campaign

The LCC Foundation annual employee giving campaign kicks off Thursday at the Fall In-service. Please stop by the Foundation table to make a gift of support for scholarships, services and programs that helps the students we serve. A gift to the Foundation's Area of Greatest Need helps support the operations of the Foundation. Last year the Foundation paid over \$2.7 million directly to or on behalf of LCC to benefit programs, services and scholarships. Participants in this year's employee giving campaign enrolled will be eligible for the employee prize sweepstakes.
