

## Food Drive

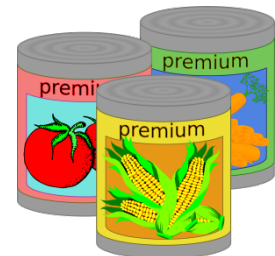

**Every week**, an average of **30 to 40 Lane students** come to Lane Community College's Rainy Day Food Pantry in need of food.

We are asking for your support to help students in meeting their nutritional needs, by donating non-perishable food items at the Fall All-Staff In-Service on Thursday September 22<sup>nd</sup>

### Items in High Demand and Short Supply Include:

- Nut butters
- Tuna/canned meat
- Pasta, rice, dried potatoes
- Canned veggies, low sodium preferred
- Canned fruits, low-sugar preferred
- Meals in a can or box (chili, stew, etc)

*We are also accepting toiletries such as 'hotel' soaps and shampoos, feminine hygiene products, toothbrushes/toothpaste, etc.*

Food Drive containers and information will be available at a table in the Center for Meeting and Learning Lobby beginning at 7:30 AM

The pantry runs short of food and your generous contribution will be most appreciated. If we are able to collect more food, we can help more hungry students this fall. Thank you so much for your support.
