

# Business Perspective

## Lane Raises Consumer Spending

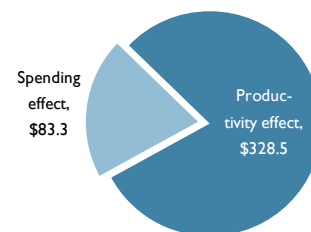

- Lane employed 725 full-time and 426 part-time faculty and staff in the 2010-11 reporting year, with an annual payroll of \$61.4 million.
- In addition to payroll, Lane spent \$166.9 million in FY 2010-11 for supplies and services, of which an estimated 35% was spent in Lane County.
- Lane estimates that approximately 12% of its students come from outside Lane County. Non-local students who settle in the region spend money at local businesses for food, transportation, and other personal expenses.

## Lane Generates New Income

- The net added income generated by Lane operations (\$59 million) and the spending of non-local students (\$24.4 million) contributes a total of \$83.3 million in income to the Lane County economy each year.
- The increased productivity of workers due to the accumulation of past and present Lane skills in the Lane County workforce creates approximately \$328.5 million in added income each year.
