

SAFER CAMPUS

Lane Community College, Department of Public Safety
In Service to Higher Education

Issue: X Volume: V

The thought of an active shooter stepping foot on any campus is a scary one.

What happened on October 01, 2015 at our sister college, Umpqua Community College was an absolute tragedy.

Lane Community College Public Safety would like to extend our deepest condolences to Umpqua Community College, Douglas County, the Roseburg community, and the friends and family of those effected by this senseless act.

Lane Community College Public Safety would like to take this time to remind students and staff of some potentially life saving information. Run, Hide, Fight is a response program strategy that is similar to A.L.I.C.E Training Institute's material.

A.L.I.C.E is an acronym that stands for Alert, Lock-down, Inform, Counter, Evacuate. The A.L.I.C.E Training Institute is a guide on how any person should respond to an active shooter/violent actor situation.

Lane Community College Public Safety Officers are not armed with firearms, however they do carry pepper spray and a batons. Interesting enough, however, all officers have been through law enforcement training academy's and have carried or carry firearms in other jobs. Even though the threat environment continues to change, college officials have not supported

UMPQUA
COMMUNITY
COLLEGE

the arming of Lane community College Public Safety Officers.

Lane Community College Public Safety Chief, Jace Smith, has had difficulty engaging in an honest and open discussion about arming his department. He

has sited the misconception that arming Public Safety Officers will make them "Police". He has also heard decision-makers express their "like or dislike" and their "comfort or discomfort" with guns. This is really irrelevant as regardless of personal feelings the threat environment is a reality.

Public Safety's law enforcement partners are not always nearby during an emergency on campus. With this in mind, why NOT arm Public Safety Officers? This is what the Torch suggested more than a year ago, "Arm Lane's First-Line Defenders".

Perhaps a Public Safety Officer borrowing a quote put it best, "when an ostrich sticks it's head in the ground, the head is a very small target... when you look at the ass it's pretty big."

F.A.Q.

How to schedule violent actor training:

If you would like to schedule an active shooter/violent actor training for your department you can set up a one hour appointment by calling Public Safety at 5558. The meeting will align with either Chief Smith, or trained command staff members availability.

Firearms policy on campus:

Board of Education states (<https://www.lanecc.edu/board/policies/bp410>) no person, including students, employees, college patrons and vendors may bring, possess, conceal, brandish, use or be in possession of a firearm, destructive device, or other dangerous weapons as defined by law, or give the appearance of being in possession on college-owned or controlled property or at activities under the jurisdiction or sponsorship of the college, except as provided by ORS 166.370 and federal law. As authorized by ORS 659A.001(4), the exceptions provided by state and federal law do not apply to Lane employees while engaged in work activities. Permitted exceptions include use in conjunction with approved instructional demonstration. If you have any other questions, don't hesitate to call Public Safety.

Who to talk to in a time of need:

Lane Community College offers Counseling, to schedule a time to meet with some call 8888. Walk-ins are also available:

Building 1, room 103 on the main campus during the following hours:

- Monday-Wednesday 8am-5pm
- Thursday 8am-4pm
- Friday 8am-2pm

If you are worried about a student or staff member call 5558.

ALICE
TRAINING INSTITUTE

ALERT

Initial Alert may be a gunshot, PA announcement, etc...
Avoid code words.

LOCKDOWN

If Evacuation is not a safe option, barricade entry points.
Prepare to Evacuate or Counter if needed.

INFORM

Communicate real time information on shooter location.
Use clear and direct language using any communication means possible.

COUNTER

As a last resort, distract shooters ability to shoot accurately.
Move toward exits while making noise, throwing objects, or adults swarm shooter.

EVACUATE

Run from danger when safe to do so using non-traditional exits if necessary. Rallying point should be predetermined.

THANK YOU!

Public Safety would like to extend a thank you to those who were inconvenienced by Lot 3 being closed for the past few weeks. Public Safety has a freshly paved lot, courtesy of Todd Smith, and Facilities, Management and Planning.

Public Safety is happy to announce this great upgrade to the Public Safety offices. Access to Public Safety, from the lot, is now a clear, level path, with ramp entry to the deck. Public Safety now has a delegated disabled parking space, and clearly marked spaces.

Chief Smith, has been asking (for the past four years) that the lot be paved. The abundance of dust and dirt from the gravel lot has made the facility and patrol cars look dirty, impacted the 13 SPVs, and the dust is constantly being tracked into buildings. This work will improve the sight lines for Public Safety Officers entering, and exiting the rear of the building. The new spaces allow for more space between vehicles and the building, allowing officers to have better view, increasing officer safety, which is always the goal at hand.

It was Todd Smith, and his willingness to do a partial paving of the lot that allowed Facilities, Management and Planning to go ahead with this project. This is yet another example of why Facilities, Management and Planning was awarded the Strategic Partner Award at the 2014 Public Safety Awards Banquet.

HEALTH TIP!

Officer Valeri Miller

It is the peak of harvest time and everyone is picking garden vegetables they have been growing all summer long. Here is an AMAZING interactive website that includes a bunch of garden vegetables. You can click on the vegetable and it will open to a page that list the nutrition facts, health benefits, how to prepare, etc. So much useful information.

Bon Appétit!

HALLOWEEN SAFETY TIPS!

THE BASICS:

- ✦ Teach Children how to call 9-1-1 if they have an emergency or become lost.
- ✦ Call the police and report any suspicious or unlawful behavior immediately.
- ✦ Closely examine all treats.
- ✦ Throw away treats that are unwrapped or suspicious.
- ✦ Teach children to say “NO!!” in a loud voice if someone tries to get them to go somewhere, accept anything other than a treat, or leave with them.
- ✦ Teach them to try everything they can to escape, including yelling, hitting, and kicking.

PRO TIP:

WRITE YOUR PHONE NUMBER, OR ADDRESS (IN NON-TOXIC INK) ON YOUR CHILDS ARM, IN CASE OF SEPARATION, SEAL WITH LIQUID BAND-AIDE, TO ENSURE IT WON'T RUB OFF.

CHOOSING A COSTUME:

- ✦ Avoid masks that will obstruct your child's sight.
- ✦ Decorate costumes and bags with reflective stickers, and tape.
- ✦ Make sure costumes are short enough to prevent tripping and entanglement.
- ✦ If the costume has a sword, cane or stick make sure it is not sharp, or too long—to prevent injury if child falls.

BEFORE LEAVING HOME:

- ✦ Remove tripping hazards from yard, and porch.
- ✦ Ensure all outside lighting is working.
- ✦ Sweep wet leaves from sidewalks and steps.
- ✦ Restrain pets from entering the area children may be walking in.
- ✦ Consider using a flashlight, glow stick, or flameless candle in pumpkins—if you use burning candle, never leave it unattended.

TRICK OR TREATING SAFETY TIPS:

- ✦ Cross the street at corners and use traffic signals and crosswalks.
- ✦ Carry a cellphone for quick communication, but remember to put electronic devices down and heads up as you cross streets.
- ✦ Teach children to make eye contact with drivers before crossing in front of them. And, if there are no sidewalks, walk facing traffic as far to the left as possible.
- ✦ Have kids carry glow sticks or flashlights to help them see and be seen by drivers.
- ✦ A parent or responsible adult should always accompany young children on their neighborhood rounds.
- ✦ If your older children are going alone, plan and review the route that is acceptable to you. Agree on a specific time when they should return home.
- ✦ Only go to homes with a porch light on and never enter a home or car for a treat.

DISPATCHER YOU SHOULD KNOW!

Dylan Ford

Dylan Ford was born in Conyers, Georgia and moved to Oregon when he was 2 years old. Dylan graduated from Churchill High School with Honors and also as a member of the local National Honor Society chapter.

Dylan is currently enrolled in Lane Community College, where he has been selected to be a Lane Foundation Student Ambassador for the 2015-2016 school years. Dylan will speak at meetings and luncheons about how the Lane Foundation helps students, and what it's like to receive scholarships. Dylan plans to earn his two year transfer degree by 2017. He also hopes to join the Public Safety Cadet program during his schooling.

Dylan was a member of the Lane County Search and Rescue Explorer Post for three years; during his service he was elected Secretary and eventually President of the team. Unfortunately, Dylan resigned from Search and Rescue because of work obligations conflicting with training and meetings. Dylan hopes to join C-CERT (Campus - Community Emergency Response Team) this year.

While working with Search and Rescue, Dylan met Corporal Bower, and was enlightened about Lane Community College's Public Safety Junior Cadet Program. Dylan went on a few ride-a-longs with Public Safety Officers and decided to join the Junior Cadet Program*.

Dylan started in May of 2015 and was invited to attend the 2015 Public Safety Academy. Dylan successfully completed the Public Safety Academy, and was offered a job as a Cadet Dispatcher, he has been enjoying learning about dispatch.

Dylan is certified in first aid and CPR with an AED. Dylan successfully passed the training, and testing to become certified with LEADS (Law Enforcement Data System).

Law Enforcement interests Dylan because he has a strong desire to serve his community and make a difference in people's

lives. Dylan sees himself obtaining his Bachelor's degree and beginning a career in Law Enforcement within the next five years.

Dylan enjoys working at Public Safety he said, "It (Public Safety) has a family feel. Everyone cares about how you are doing and what is going on in your personal life. You can depend on others and know that everyone wants what is best for you."

Dylan enjoys spending time with his family, reading, being outdoors, country music and learning about history.

*The Junior Cadet Program is a special program designed for High School students. For more information contact Public Safety at 541-463-5558.
