Please remember,
Parking Citations
cannot be adjusted
by officers after
they are written!
Follow the guide-
lines on the reverse
of the ticket to ap-
peal. Thanks!

Got Drugs?

Turn in your unused
or expired medication
for safe disposal
here

The Drug Enforcement Administration (DEA) has scheduled another National Prescription Drug Take-Back Day which will take place on Saturday, April 27, 2013, from 10:00 a.m. to 2:00 p.m. This is a great opportunity for those who missed the previous events, or who have subsequently accumulated unwanted, unused prescription drugs, to safely dispose of those medications.

In the four previous Take-Back events, DEA in conjunction with our state, local, and tribal law enforcement partners have collected more than 2 million pounds (1,018 tons) of prescription medications were removed from circulation.

The National Prescription Drug Take-Back Day aims to provide a safe, convenient, and responsible means of disposal, while also educating the general public about the potential for abuse of these medications.

Shortly after DEA's first Take-Back Day event two years ago, Congress passed, and President Obama signed, the Secure and Responsible Drug Disposal Act of 2010, which amended the Controlled Substances Act (CSA), allowing DEA to develop permanent, ongoing, and responsible methods for disposal. Prior to the passage of the Disposal Act, the CSA provided no legal means for transferring possession of controlled substance medications from users to other individuals for disposal. On December 21, 2012, DEA published in the Federal Register a [Notice of Proposed Rulemaking for Disposal of Controlled Substances](#). These regulations would implement the [Secure and Responsible Drug Disposal Act of 2010 \(Pub. L. 111-273\)](#) by expanding the options available to collect controlled substances from ultimate users for purposes of disposal to include: Take-Back events, mail-back programs, and collection receptacle locations.

However, until these regulations become permanent, DEA will continue to hold Take-Back Days.

LCC Public Safety has participated in this operation for three years, receiving several hundreds of pounds of unwanted/expired prescription medications.

This year, Public Safety Officers will be accepting prescription medications on April 27th, between the hours of 10 AM and 2 PM, in front of Building 19 (Center for Meeting and Learning).

Public Safety Recruit Academy

The Department of Public Safety is currently conducting an in-depth Training Academy to prepare new on call officers and cadets to better serve the campus community.

Successful recruits were submitted to multiple interview processes, written testing, rigorous background investigations and medical and physical examinations prior to being approved to attend the Academy.

Recruit officers are currently attending the Academy four days a week, then gaining on-the-job experience by accompanying veteran officers in the performance of their normal duties.

The Academy is five weeks long and combines classroom/lab training and field training together to more efficiently learn the campus as well as proper procedures. Classroom and lab training focus on subjects such as campus rules and regulations, officer safety, Oregon law, investigative procedures, defense tactics, ASR (pepperspray) and baton use.

At the conclusion of the Academy, recruits will work with assigned Field Training Officers (FTO's) to complete their training in the field.

CAMPUSWIDE **VIOLENT ACTOR** (ACTIVE SHOOTER) TRAINING

The Public Safety Department is presenting a training session on what to do in case of a violent actor incident (specific emphasis on active shooters) on campus. The session is scheduled for Tuesday, April 23, at 3 p.m. and will be held in the Boardroom in Building 3. All staff, faculty, and students are invited to attend. Stay tuned for information on an active shooter drill involving the Eugene Police SWAT Team. Questions? Contact Chief Jace Smith, extension 5558

About Town

Officers Ryan Sager and Noelan Smith represented the Public Safety Department at the March 15th Grand Opening of the Lane County Downtown Campus Academic Building.

Local dignitaries attending the event included LCC President Mary Spilde and Eugene Mayor Kitty Piercy.

The building project took more than two years to complete and is expected to help reinvigorate the downtown area.

Crime on Campus

*Select Cases on Campus for Feb, 2013

Feb 1	Suspicious Conditions, DTC	Suspicious Conditions, Bldg 13

Feb 16	Suspicious Person, Bldg 24	Disorderly Subject, Lot B

Officers You Should Know

Have a crime tip? Please call us with your information at (541) 463-5558

Officer Zachary King

Officer Zachary "Zach" King has always called the Eugene area home, even during periods of time when he was living elsewhere.

Officer King served seven years in the Oregon Army National Guard

as an Infantry soldier. During his time in the Army Officer King served in the hurricane Katrina cleanup, as well as tours to both Afghanistan and Iraq.

Upon leaving the Army, Officer King opened his own full service automotive restoration shop, Hard Luck Customs, located in Creswell, OR. The shop is operated by Officer King and his wife, specializing in restorations and customization of classic cars.

Officer King has his GED and 90% of a business degree from Lane Community College as well as a degree in automotive technology from Wyotech Technical In-

stitute located in Sacramento, CA.

Officer King began his employment with LCC Public Safety in early 2012. He is currently assigned as an on-call officer.

Officer King specializes in technical services with DPS and also volunteered to reformat the entire (more than 400 pages!) Officer Manual.

Officers....doing more than you think!
