classes coming in January 2015

A Personal Note From Barbara

The Successful Aging Institute at Lane Community College is moving forward with your support!

As you know, we now serve thou-
sands of learners each term through a
wide range of affordable, accessible,
and excellent classes at more than 20
sites throughout the community.
We're proud to partner with our illus-
trious Advisory Council and the LCC
Foundation to offer the following
NEW benefits to our financial spon-
sors in the community. For your tax
deductible contribution:

* Link your organization's website to
Lane's, and enjoy the 7 million hits/

year (SAI alone receives an average of
500/month!)

* Feature your organization in the
printed "Continuing Education Sched-
ule," sent to 144,000 homes!

* Add your banner to college-
involved community events!

Contribute quickly & easily through
<http://www.lanecc.edu/sai/donations!>

* Suggest unique benefits YOU would
enjoy!

Please email me at
susmanb@lanecc.edu or give me a
jingle at 541-463-6264.
Happy Holidays!!
Barbara
